# PENANG ADVENTIST HOSPITAL

## Mission

*God Heals, We Help*

Penang Adventist Hospital is committed to demonstrating the love and healing ministry of Christ by providing comprehensive, competent and excellent healthcare for all.

## Vision

A people-centred teaching and learning healthcare system with international quality wholistic care, delivering excellent experiences to the community and region.

## Our Goal

Our goal is "To make man whole". It means to follow the ideals of God, the Creator and Master Physician, and to provide for a person's well-being by administering to his physical, spiritual and emotional needs, in modern and pleasant facilities.

## Our Core Values

We are guided by a set of values which all staff adhere to and through which we collectively strive to deliver better outcomes and services. The values are:

- Community mindset, building mutual trust, accountability and teamwork.
- Achievement of excellence, continuous assessment and strategic growth.
- Relevance in technology, enhancing services, and strengthening relationships.
- Integrity in word and deed, genuine and ethical stewardship.
- Nurture through reinforcement and celebration of outstanding service.
- Godliness through compassionate care, reflecting the life of Christ.

# Foreword by our CEO

COURAGE isn't about being a battle-ready soldier. Some days COURAGE is saying, tomorrow is another day. For a single mother with 3 young children, courage is to ensure that she does not give up on battling the big C. Such is the courage of a needy cancer patient. One has to handle social perception of a bald headed and wondered if the hair will grow as luscious as before; such is the courage of a Go Bald participant. COURAGE is also fittingly the title of our Charity Annual Report 2017

COURAGE-Charity Report 2017, will take you through various charity events, community educations, services and most of all heartwarming success stories of needy patients who were given second lease of life. These are all made possible with the great partnership with each and every single donors, corporate companies, foundations and the community who believed in our cause; a cause where we bridge gaps of the need for medical treatments and humanity.

2017 has been a busy but purposeful year. The hospital took on various upgrading projects with the purpose to serve the community better. The expansion of our Heart Centre is one of the key upgrades. With this expansion, we envisioned to offer not only a wider range of heart related treatments but a better patient experience.

The opening of our heart centre coincides with the 30th anniversary of our Patient Heart Fund. We cannot be more honoured to be given an opportunity to serve the community. Throughout these 30 years, we had disbursed more than RM9.7 million in medical charities to help 754 heart patients. One such needy heart patient hail from Sarawak; Joshua Thian was 4 years old when he presented with a combination of cardiac anomaly. Through the coordination of various parties and medical disbursements from our Patient Heart Fund, Joshua underwent successful heart surgery. We rejoice to know that Joshua is currently attending standard 1 and is enjoying school everyday. Such is the heartwarming story which drives us to do more for the community.

2017 saw us disbursed a total of RM2.05 million in medical charity and RM600,000 in nursing education sponsorship. We are well aware that this can only be made possible with your ardent support. I want to thank you once again for your partnership. Together we can bring forth greater impact to the community.

Blessed are the helping hands that touch lives.

Sincerely,

Mr. Ronald Koh, MHA  
President / CEO

# Gift of Life

The Gift of Life Penang Programme ( GOL ) is a partnership between Rotary Club of Penang District 3300 and Penang Adventist Hospital. This initiative commenced in 2000; it offers free medical services to children suffering from heart disease regardless of race, creed, gender or national origin and who otherwise lack access to such services. This program has since been offered to adult up to the age limit of 60 years.

Since its inception, GOL has disbursed more than RM1.6 million and gave 105 needy heart patients second lease of life with successful heart corrective surgeries.

" I love fried chicken skin." Said Puan Sharimah with a cheeky smile. "It has never occurred to me that this eating habit will cause me coronary heart disease. "Puan Sharimah, 53 years old finds it very difficult to go to work. She is constantly feeling weak and gets tired very easily. A sudden attack of breathlessness saw her sort help at Penang Adventist Hospital emergency room. She was diagnosed with 3 arteries blockages. Coming from low-income family with an OKU son to care for, the cost of surgery is certainly out of her capability. Gift of Life disbursed a total of RM19,000 as medical charity to assist Puan Sharimah's surgery. Within a short period of 5 months, Puan Sharimah was well enough to resume work. Since her recovery, Puan Sharimah has been an

ardent advocate for healthy living and healthy eating.

Joshua Thian was a cheerful 4 year old when we came to know him back in 2015. Despite his cheerful disposition, Joshua was born with Tetralogy of Fallot (TOF), classically understood to involve four anatomical abnormalities of the heart. Immediate surgery was needed as babies born with TOF usually have low survival rate after 6 years old. Rotary Club members, GOL committees and members of the public came together quickly raised the much needed fund of RM34,300 to help Joshua.

It was very heart-warming for Rotary Club Penang members to visit Joshua during their trip to Sabah in 2017. Joshua quickly warmed up to the visitors, flashing his signature and charming smile at all. A sense of achievement overcame not only the Rotarians who visited Joshua but all of us at the Penang Adventist Hospital. Today, this cheerful little boy is attending standard one! The joy of seeing Joshua grow up healthy motivates us to help more needy patients in our community.

Puan Sharimah & Joshua Thian were just 2 out of many other needy heart patients who received medical disbursements through Gift Of Life Program.

# Gift of Life

We would like to take this opportunity to thank many partners who allow us to place our wishing well, big or small at their premises. One coin may seem to you a very insignificant thing, but collectively it can save lives.

# Go Bald, Go The Distance

## Charity Head-Shaving & Food Carnival

Penang Adventist Hospital brought back one of its large scale events Go Bald, Go The Distance Charity Head – Shaving & Food Carnival for the 3rd time now. This signature event took place on 16<sup>th</sup> July 2017 at the Hospital's Multi-Storey Car Park. The event was in aid of the Hospital's Dr. J. Earl Gardner Fund which provides medical assistance to needy patients who undergo major surgeries suffering from chronic ailments like scoliosis, stroke, and amputation of limbs and many more.

Go Bald, Go The Distance stood out as we saw good involvement and support from people of all walks of life outside the state of Penang.

We have Go Bald participants, donors, food stallers hailing from Sungai Petani, Alor Setar, Kuala Lumpur, Seremban, Kuantan and Raub. Apart from the strong support from all head-shaving participants, there were 29 food stallers who made a great complement to the event.

The event raised over RM 520,000 and we are truly blessed to have everyone's support in making this a COMMUNAL effort in aid of Dr. J. Earl Gardner Fund.

A big shout-out to all the donors, partner and volunteers! On behalf of our beneficiaries, thank you for your courage and generosity!

# Love Your Heart Campaign

In conjunction with World Heart Day 2017, Penang Adventist Hospital, in collaboration with the Lions Club Penang, Mended Heart Penang and Pfizer organized a series of activities from September through October to raise awareness on heart health. Themed "Love Your Heart", the campaign aimed at increasing public awareness on CVD (Cardiovascular Disease) and the importance of a healthy heart. Through this event, PAH also raise fund for its Patient Heart Fund that was set up to aid needy heart patients through its "Love Your Heart" & "Love The Needy" pillows during this two-month long awareness campaign.

On 24<sup>th</sup> September 2017, we were so privileged to have with us Mr Reinaldo Lobo, a Brazilian professional footballer who used to play as a centre back for Penang FA in the Malaysia Super League. Lobo made a trip to the Hospital to visit and celebrate with some of our charity heart patients.

It was so heart-warming to see smiles on the charity patients' faces when Lobo presented the special edition charity pillows to them.

A very big THANK YOU to Lobo as well as the heart patients for making the celebration a meaningful and a joyful one!

# A December To Remember

## Care Club Campaign

18th of December 2017 was an unforgettable fun day for all the Care Club members. Not only we have an opportunity to come together to celebrate Christmas; we also got to know each other a little better through the activities and games.

This Get-Together also gave us another reason to celebrate. In 2017, the Care Club has 252 members, pledging a total of RM 33,117. 63% of that amount supports Dr. J Earl Gardner Fund, a fund which is highly disbursed to help the needy. The giving of Care Club members played an important role in partnering Penang Adventist Hospital to help the needy.

We are very thankful for your partnership. Together, let us meet more needs in the community!

# Leadership

Penang Adventist Hospital's success throughout 93 years is owed to having a heart for helping the community through philanthropy is supported by effective management through the knowledge, expertise and shared vision of its Board Members.

Being a not-for-profit hospital, members from the Board of Trustees are volunteers from the community and the Seventh-Day Adventist Church. They receive no remuneration for their services at the hospital, where surplus from the hospital is not given to stakeholders but used to enhance medical equipment and fund community outreach activities.

# A Life to Live For

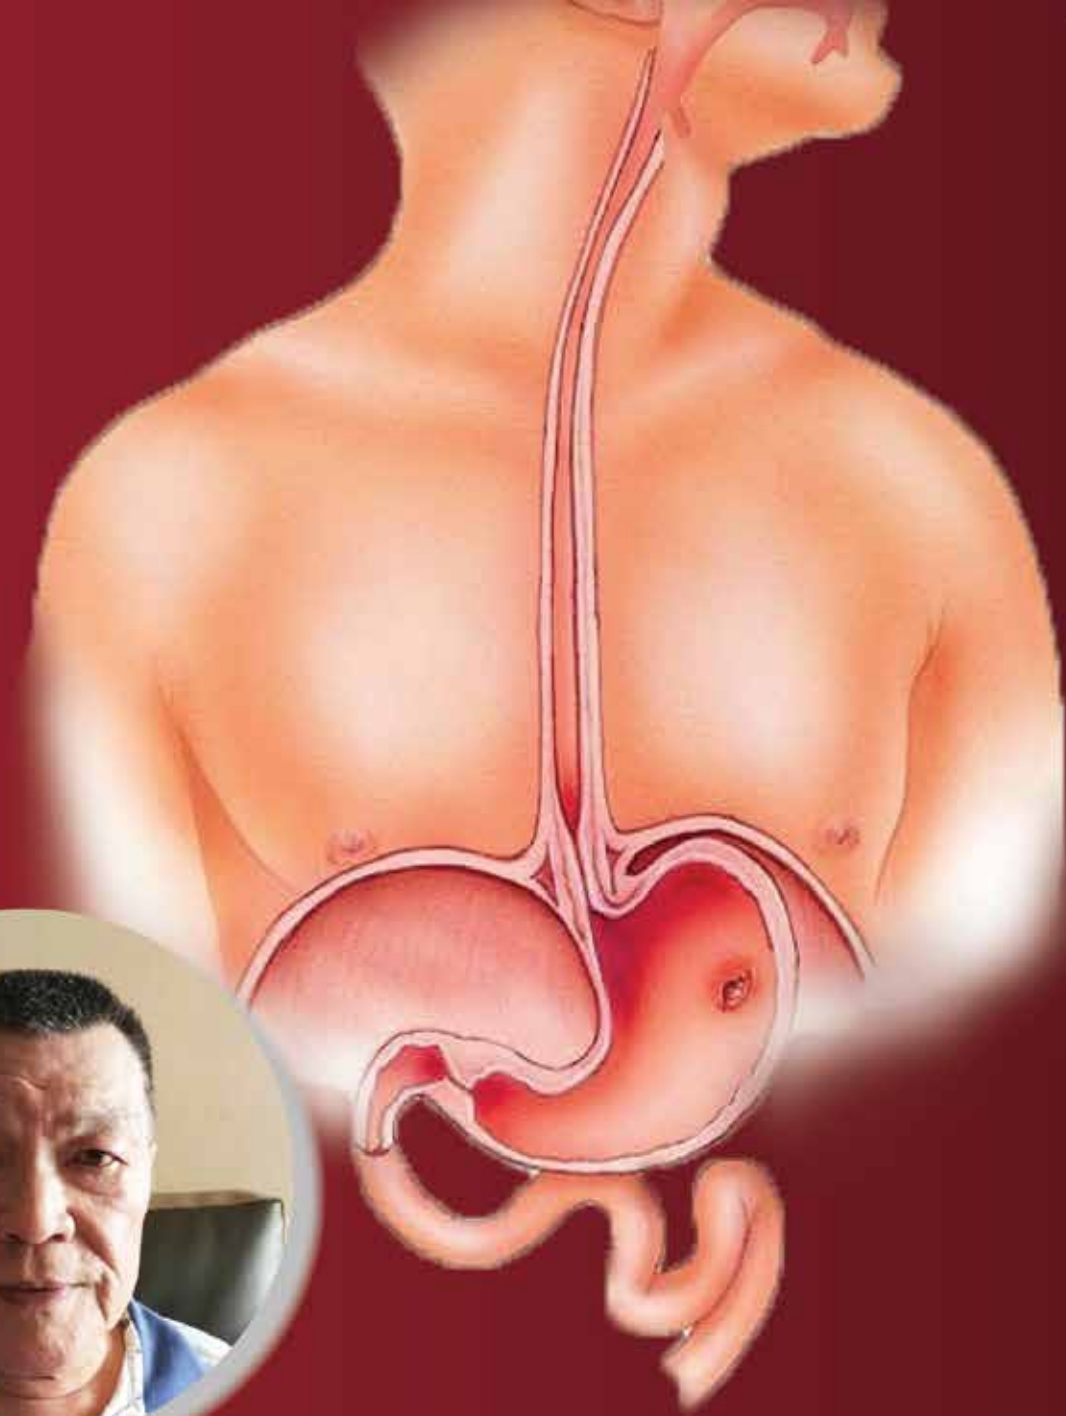

## Dr. J. Earl Gardner Fund

When you reached the age of retirement, your vision in life would be to move to a quiet environment, your children settled in life, your health top notch for your age and you are just enjoying the blessings with loved ones.

Sadly for Mr. Heah that was not the outcome of his life. Mr. Heah had been in and out of the hospital due to stomach ulcer. As a result, there was bleeding in his bowel. His family was worried that his condition might worsen and that they might run out of finances for his medical expenses.

At a point, Mr. Heah had to go for surgery to stop the bleeding in his stomach. After all the admission and treatments, Mr. Heah's family came to realize that his medical bill has exceeded the expected amount. His family was then recommended by the doctor to seek financial assistance from the medical social services in Penang Adventist Hospital. When we interviewed them, we could see the struggle they were facing to financially stand on their own. Mr. Heah's case was then brought up to the Development Fund Committee and they graciously approved RM 60,000; an amount more than expected.

When conveyed of the amount that was approved by the committee, the family were in tears of joy knowing that a huge financial burden had been lifted off them. They are very grateful for such help that was given to them. After the surgery, Mr. Heah's stomach wound has recovered. He is now a strong advocate for healthy living.

## Patient Heart Fund

The arrival of the much-awaited daughter Chau Ran brought much joy to her new parents. But their joy was short lived when Chau Ran whose complexion seems bluish was diagnosed with Tetralogy of Fallot (TOF), a congenital heart defect which is classically understood to involve four anatomical abnormalities of the heart and Pulmonary Atresia (PA) is a form of heart disease that occurs from birth (congenital heart disease), in which the pulmonary valve does not form properly.

As a rubber tapper and the sole breadwinner of the family, Mr. Leong struggled to provide the best of treatment for his daughter. Chau Ran not only required one corrective surgery but two. It wasn't an easy decision but Mr. Leong decided to highlight his plea through local press for public's financial support. Rasa Sayang and Spa partnering PAH supported RM 30,000 through Patient Heart Fund.

The Charity Team had the opportunity to meet Chau Ran and her parents at a press announcement organized by Rasa Sayang & Spa in January 2017. Little Chau Ran has now grown up so well and happy, active and healthy 4-years old girl. It gave us such warm feeling that we are able to share the joy of being part of the community; a community who help unconditionally!

## Cancer Fund

Cancer, a disease that comes upon those of all age is a situation that is hard to avoid. For young Ms. Yeap it came to a realization after a year of random headache. In May this year she noticed that her neck was swollen and told her parents which led them to Penang Adventist Hospital (PAH). Upon consultation, it was advised that a biopsy test be done for her swollen neck.

Once the results came back, it showed that the lump in her neck was cancerous and she was diagnosed with stage 4b Nasopharyngeal Cancer. This took the family in a shock as they never knew such a thing could happen.

As the family gradually accepted the fact that Ms. Yeap was affected by this disease, they realized that they did not have the finances to pay for her treatments which needed to proceed as soon as possible. They were then referred to the medical social services where they could seek for financial assistance. Once the necessary procedures were done for the application, the case was brought up to the Development Fund Committee and they approved RM 42,000 for her chemotherapy treatments. The prognosis for Ms Yeap was that this stage 4b Nasopharyngeal Cancer is potentially curable and is not terminal due to the nature of the cancer.

The family is truly grateful for the help that had been given to them. Currently Ms. Yeap has finished her last cycle of chemotherapy and is doing well. She is pursuing her Form 6 currently. We are happy to be able to help Ms. Yeap. Her future is bright and we wish her all the very best!

## Welfare Fund

Silver Jubilee Home for the aged has been a place of stay for many since 1935. Over the past 82 years this place has been a shelter for many who have come through its donors. Some have been abandoned by their families, some have no families, and other might have lived in the streets for a number of years.

This home has been a safe haven for these old folks. Back in 1935 when this home first started it only had a single storey building and has developed into an 8 block cluster unit with 5 medical wards. Penang Adventist Hospital together with Lions club has reached out to a few homes including Silver Jubilee to help in their areas of need.

One of the main areas that were focused on was members of the home who are in need for cataract operation. As they grow older their eyesight tends to be compromised by the clouding of the eyes natural lenses which would lead to blindness in the future. In order to avoid such incidents from happening, cataract operations are very much needed for them. Ranging between 69 to 82 years old, there were a total of 12 senior citizens that we helped with the cataract operations thru this recent screening. PAH being a not-for-profit hospital and Lions Club came together to help the needy in the community as one. The lenses for the patients were sponsored by the Lions Club while PAH offered free operation for cataract patients through our charity assistance.

Silver Jubilee Home has been really grateful for the help and contribution of the Lions club and PAH. Now these patients do not have to go blind thanks to the doctors that have been willing to join forces with the Charity team and Lions Club team in helping the needy.

## General Fund

Established in September 1993, the Adventist College of Nursing is designed for young people who are keen on pursuing a career in the nursing profession with the drive to serve the community.

Since its inception, the college is committed to mould knowledgeable, competent, and compassionate nursing professionals. To-date, there are more than 1,198 alumni employed in a variety of health care positions throughout the country as well as abroad. With the educational programs, a long-standing tradition of providing quality health care education in a hospital setting continues.

The college has been renamed to Adventist College of Nursing and Health Sciences (ACNHS) from January 1, 2011. The ACNHS is proud of its excellent reputation for preparing graduates to pass national licensure examinations and to practice as registered nursing professionals.

Currently the college offers a three-year diploma in nursing and a two-year assistant nurse (AN) programme. Classes have in excess of 50 students each year. To date, we have graduated 725 diploma students and 340 ANs. These outstanding achievements placed the college as one of the best in the Northern Region of Malaysia. In addition, the college received full accreditation by Malaysian Qualification Agency for the

period of 2017-2021 for diploma and 2016-2020 for AN.

2018 will see the college celebrating its' 25th Anniversary, the role to maintain high standards of future nurses is promising. As their tagline reflects "Grounded in the past, to thrive in our future".

**Eustasia Anak Edmund, 19.**  
**Bau, Sarawak**

## **Year 1 Semester 2**

Q: Why did you choose to pursue Nursing?

A: To become a nurse is always my passion and it's my first dream. I've always wanted to serve the community and I want to gain extra knowledge to take care of my family.

Q: What do you like most about studying in Adventist College of Nursing & Health Sciences?

A: I like it that the lecturers and tutors teach us about character building because not every University teach student to be so kind, to be a good nurse in the future.

Q: In what ways do you think you can make a contribution to the community?

A: I will do my best to serve the patients in need and will be a good listener. That is my pledge as a nursing student.

**Robson Anak James, 22.**  
**Kuching, Sarawak**

## **Year 1 Semester 2**

Q: Who inspired you in your life and why?

A: My mother inspired me a lot, she always believes in me even when I'm in trouble. She gave me the encouragement and motivation to pursue my dream. I still remember when I was having lung disease until I'm 12 years old, my mom brought me to clinic every month just to make sure I'm doing fine. Now, I am finally recovered!

Q: Describe how you feel when you were announced as a Kuok Foundation sponsorship recipient.

A: I feel so lucky that I've been chosen because without the sponsorship I would not have the opportunity to continue my dream as my family cannot afford my studies.

Q: What is your motto in life?

A: Life is never easy, work hard is the key. I always believe in anything we do, there is no shortcut, we have to work hard to achieve what we want.

**Teresa Benedicta, 20.**  
**Kota Kinabalu, Sabah**

## **Year 2 Semester 2**

Q: Can you share with us about your academic performances?

A: I have gone through three semesters here, and this semester I got Honored Roll and will receive appreciation from the College. I want to maintain this and will always encourage myself to continue to strive for the best.

Q: In what ways do you think you can make a contribution to the community?

A: As I entered, the Adventist Lifestyle Department involves the students in a lot of community outreach. From there, I helped to conduct basic health screening; so far, I had joined 5 outreach events and I will continue to be part of it to help the community.

Q: How would you like to express your appreciation to Kuok Foundation?

A: I would like to say thank you to Kuok Foundation. They help the students to pursue their dream and we are very thankful for that. Words cannot express my utmost gratitude.

## Reach Out, Give Hope

Penang, the island known for its food ventures was hit by a massive flood on the 4th and 5th of November 2017 which affected the lives of many. Staff of Penang Adventist Hospital, led by Charity Team took upon themselves to pass hats around to collect donations. A total of RM4,217 was collected and the amount was topped up to RM10,000 from the hospital's Recycling Fund.

The donations were donated to 17 families and a school with the hope to reduce their burden from the catastrophe.

The hospital's Recycling Fund was at disposal to help assist those who were affected by the flood. A total of 6 staff applied for assistance.

The Malaysian Society for Quality in Health (MSQH) is an independent, not-for-profit organisation working actively in participation with healthcare professionals to ensure safety and continuous quality improvement in providing healthcare facilities and services in the country.

## BFHI (4th Cycle, 2014-2017)

The Baby-Friendly Hospital Initiative (BFHI) was launched by the World Health Organisation (WHO) and United Nations Children's Fund (UNICEF) in 1991, following the Innocenti Declaration of 1990. The initiative is a global effort implementing practices that protect, promote and support breastfeeding.

## HPH (1st Cycle, 2017-2021)

Penang Adventist Hospital has just become a member of the Health Promoting Hospital Network (HPH) - the very first hospital in Malaysia, as of January 2013. Initiated by World Health Organization, the mission of HPH network is to improve the quality of health care of both hospital patients and staff through evidence-based health promotion services. As an accredited HPH hospital, PAH strives to achieve better health gain for our patients and staff with an integrated and comprehensive health promotion services.

## JCI (4th Cycle, 2016-2019)

In 2007, Penang Adventist Hospital received the Joint Commission International (JCI) accreditation. JCI is the leader in accreditation, with more than 10 years experience across the full spectrum of healthcare organisations. JCI accreditation represents the "Gold Seal of Approval" in healthcare and provides the most comprehensive evaluation process.

# Thank you

Our sincere thanks to all individuals and organizations who have generously supported Penang Adventist Hospital Charity in 2017.

Your partnership brought much joy and relief to the needy in need of medical attention!

This is a testament of good partnership for the benefit of the community.

On behalf of all grateful patients, our sincere appreciation!
